Eagle River, LLC petitioned to intervene in this case on June 29, 2004, pursuant to Rules of Procedure 71 through 75 of the Idaho Public Utilities Commission, IDAPA 31.01.01.071-.075. In its Petition, Eagle River states that its intervention "will not broaden the issues presented; and . . . will not otherwise delay these proceedings." Petition at 2.

FINDINGS OF FACT

We find that no party timely opposed this Petition to Intervene.

We further find that based on the pleadings and other documents filed in this case, intervention by this party would serve the purposes of intervention as described by Rule 74 of the Rules of Procedure. We also find that granting this late intervention will not prejudice any party, will not broaden the issues, and will not delay the hearing set in Order No. 20465. We conclude this late intervention should be granted.
